Camicazi I Love You

**A/N: There was NO other stories for Camicazi and Fishlegs on here so I decided to post it! What do you think? **

* * *

><p>Why can't you see that I love you? I fight with you and I want to hold out my arms to you, and you're in love with Hiccup.<p>

I know you are. Why would you love me? I'm nobody.

I'm just Fishlegs, an accident who was disowned by my tribe, my parents, when I was hardly two years old.

Of course you don't love me.

But I am there, every day, every second, thinking of you.

I am thinking of your shining blonde hair that is so tangled it that could be mistaken for a golden forestâ€|

I am thinking of your blue eyes that sparkle with the promise of adventureâ€|

I am thinking of your skills at burglary and your gleaming metal swordâ€|

I am thinking of you all the time and I can't stop it.

I'm always overcome by a desire to put my hands very gently on your

waist and kiss your lips and whisper in your earâ€|

But that day will never come, for I know you are in love with
Hiccup.

You never notice me standing in the background, skulking in the
shadows, but of course, I notice you.

I murmur your name in my sleep, it lingers in my heart when I awake,
it resounds in my head when it is spoken and I speak it so
quietly.

Camicazi. Camicazi.

Camicazi, I love you.
